**Total monthly gross income is defined as the total gross monthly income of immediate and non-immediate family members living in the same household. Gross income includes income (i.e. including employee's CPF contributions) contributions from self-employment, business or salaried employment (which includes basic salary, allowances, overtime pay, etc.) as well as other sources of income (e.g. rent). The monthly financial support from divorced/separated parent or spouse such as alimonies and contributions to support children/household should also be included. Payments in kind, reimbursement for transport and other expenses and National Service should not be included.*

One self-declaration form per family member (please make copies if you need more than one).
